

RELEVANT FACT

CARBURES EUROPE, S.A.

April 9, 2014

In compliance with the provisions of Circular 9/2010 of the Alternative Stock Market (*Circular 9/2010 del Mercado Alternativo Bursátil*), we hereby place the following information regarding CARBURES EUROPE, S.A. ("CARBURES" or the "Company") at the disposal of the market.

Carbures has signed an agreement with ALESTIS AEROSPACE MANUFACTURING, S.L.U. to manufacture and supply components for the AIRBUS Defence and Space aircraft C-295.

This contract includes the manufacture of parts of the stabilizer (tail section) of the aircraft, using composite materials. The contract shall be valid during the manufacturing cycle and life of the aircraft.

Strategically, this is a step further for the Company, becoming a direct supplier for the TIER 1 Alestis Aerospace, and adding up a new program, the aircraft C295, which is the new generation tactical transport aircraft of AIRBUS Defence and Space with the greatest capacity and versatility used by the Air Forces.

With this contract, Carbures continues its expansion plan by diversifying the products it manufactures and increasing the orders.
