

## **RELEVANT FACT**

## **CARBURES EUROPE, S.A.**

July 1, 2014

In compliance with the provisions of Circular 9/2010 of the Alternative Stock Market (*Circular 9/2010 del Mercado Alternativo Bursátil*), we hereby place the following information regarding CARBURES EUROPE, S.A. ("CARBURES" or the "Company") at the disposal of the market.

CARBURES and SHENYANG HENGRUI IMP. & EXP. TRADE CO. LTD. have signed contracts that will provide Carbures with a net revenue of USD 97,036,000, derived from the exclusive rights granted to SHENYANG HENGRUI to develop, in 2014, linears and parts made of composite materials for the automotive sector in China, using the RMCP technology patented by Carbures. Any commercial activity carried out by the Chinese company will be under the brand "Hengrui by Carbures".

These contracts include the sale of seven RMCP linears to SHENYANG HENGRUI, the distribution to third parties of a variable number of these linears in China, as well as the rights or "royalties" to use the RMCP technology.

These contracts, besides the incorporation of a strategic ally in China, allow Carbures to move forward in the execution of its Strategic Plan, published in a relevant fact last March 7.
