In accordance with Article 17 of the Regulation (EU) n° 596/2014 about market abuse and Article 228 of refunded text 228 of Stock Market Law, approved by the Royal Legislative Decree 4/2015, of October 23, and concordant provisions, as well as in Circular 15/2016 of Alternative Stock Market (MAB), we provide the following information:

Carbures Mobility has signed a contract with a Tier 1 world reference in the industry, whose name is not disclosed due to confidentiality agreements. Carbures will provide assembly lines in order to manufacture windshields in high volume production. This contract, which is the second one signed with this manufacturer, is valued at 2.24 million euros.

The agreement includes both the engineering of this product - to be developed in Manresa (Barcelona) - and its manufacture, to be held in Querétaro (Mexico). The assembly line of four-pole engines for the production of windshields, with a manufacturing time of 13 seconds per unit, will be installed in the Mexican plant of this manufacturer.
