

RELEVANT FACT
CARBURES EUROPE, S.A.
April 12, 2018

In accordance with Article 17 of the Regulation (EU) n° 596/2014 about market abuse and Article 228 of refunded text 228 of Stock Market Law, approved by the Royal Legislative Decree 4/2015, of October 23, and concordant provisions, as well as in Circular 15/2016 of Alternative Stock Market (MAB), we provide the following information:

Carbures Europe S.A., through its Mobility division, has signed a contract with a Chinese Tier 1 for the design and manufacturing of three test benches for electric steering systems. This contract, which will be executed during 2018, involves the engineering services carried out from Spain and the manufacturing services from China, in the production plant the Company opened last year in Suzhou (Relevant Fact of August 9, 2017).

The amount of this contract totals approx. eight hundred thousand euros. This contract has a significant importance since it increases the portfolio of project that will be carried out from Carbures new production plant in Suzhou, whose main objective is to grant access to local customers.

Carbures, that is present in China since more than 10 years ago, can offer geographical proximity to large world reference Tier 1 that are present in Asia and also a real alternative to the local Tiers 1.
